Konu: Request for Agreement between Faculty of Theology of Dicle University and Faculty of Theology of University of Prishtina within the scope of Erasmus

Dear Rumeysah, Assalamu Alaikum!

I pray to Almighty Allah that this letter reaches you at the best of the health and Imnan (*amin*).

I am Muzaqete Kosumi, foreign relations and ERASMUS coordinator, at the Faculty of Islamic Studies in Prishtina.

We are part of Erasmus+ as well, therefore we may cooperate in the field of Staff and Students Exchange, and this would be a great opportunity for the two institutions to gain from the experience of one another as you mentioned.

We would appreciate very much if you can send the official offer for cooperation within the framework of Erasmus, and also the syllabuses of the subjects of your faculty that you think are suitable to start with.

With that, I send you my;

Best regards,
